FOR IMMEDIATE RELEASE

Ramp Closures on Westbound SR-60 at Grand Avenue

City of Industry and Diamond Bar –The California Department of Transportation (Caltrans) has scheduled a 55-hour closure of westbound Pomona Freeway (SR-60)/ Grand Avenue off-ramp and on-ramp, and Grand Avenue between Baker Parkway and SR-60, for street widening, ramp realignment and paving. The 55 hour ramp closures begin Friday, November 17 at 10 p.m. and continue through Monday, November 20 at 5 a.m. Detours will follow S. Brea Canyon Road and Golden Springs Road (see map 1). The eastbound SR-60 off and on-ramps at Grand Avenue will remain open. Motorists should expect delays and are strongly advised to use alternate routes.

On Monday, November 20, the on-ramp to westbound SR-60 from Grand Avenue will remain closed until mid-February 2018 for widening of the freeway for an auxiliary lane and construction of a new on-ramp to westbound SR-60. Motorists will be directed to Valley Boulevard or Baker Parkway and S. Brea Canyon Road to reach westbound SR-60 (see map 2). Additionally, motorists will not be able to turn left onto southbound Grand Avenue from the existing westbound SR-60 off-ramp. Use northbound Grand Avenue and follow detour signs. Grand Avenue will have two lanes open each direction.

The contractor on this \$16 million project to construct a new westbound on-ramp and an auxiliary lane is Ortiz Enterprises Inc., of Irvine, California.

For real time freeway traffic information please visit the Caltrans QuickMap quickmap.dot.ca.gov Caltrans reminds you to "Be Work Zone Alert."
